1. The results of this data analysis are preliminary and are subject to change.
2. Students with disabilities and LEP students were not calculated back to their home school this year.
3. Student mobility is based on September 15 for GEPA and HSPA and July 1 for NJASK4.
4. Alternate Proficiency Assessment (APA) results have not been added to the special education calculations. They will be added to the final report when APA results are available.
5. A five percent misclassification rate has been applied to the AYP benchmarks for both the total school and student subgroup performance.
6. An * in the "Made 95% Participation Rate" and "Made 2003 AYP Benchmark Target" columns denotes no students or less than 20 students in a student subgroup.
7. Safe Harbor is not considered this year.

The secondary measure for high schools is dropout rate. This information is not included in this report.
